

量子科技长三角产业创新中心

YANGTZE DELTA INDUSTRIAL INNOVATION CENTER
OF QUANTUM SCIENCE AND TECHNOLOGY

Certificate of Completion

This certificate confirms that Xiaofeng Qiu, an undergraduate Computer Science student from the University of Cambridge, has completed a 2-week internship at this company from 15 Dec 2025 to 26 Dec 2025. He was placed in Systems Theory Department.

During his internship, Xiaofeng was assigned to translate an algorithm from Python to C++, and help with its testing and optimization. He proved to be reliable in completing his tasks and had outstanding work ethic.
